

THE ARTISTS FORUM FESTIVAL OF THE MOVING IMAGE: 2024

Our 9th annual film festival returns with new, innovative programming

LIVE FEST: Oct. 17 - Oct. 18
STREAMING: Oct. 21 - Nov. 24

This year's festival will showcase **14** films, highlighting our 2024 Competition Theme:

TECHNO-FEUDALISM.

Filmmakers were challenged to interpret our theme: Techno-Feudalism - a recently coined term by Greek economist and politician Yanis Vaoufakis - is the transformation of capitalism by tech platforms, done by exploiting the labor force through new technologies.

Theme examples and variants can be found on our [competition platform](#).

The 2024 Official Selections have been created by independent filmmakers originating from 7 countries:

Denmark, France, Iran, Japan, Puerto Rico, Slovenia, and the United States.
